CERTIFICATIONS

2021: Bachelor of Economics Relation
Foreign Trade University
2021: IELTS 7.0

OBJECTIVE

Before taking myself into the IT world, my major was Economics Relation at Foreign Trade University. I known me of the old days struggled with stuffs unsatisfied myself. I made one of the most important decisions - being a Software Developer. Although It is quite late, but I believe with our hardworking there's nothing we cannot do.

EDUCATION

RMIT University

Major: Information Technology   June 2021 - Present
GPA: 4.0/4.0

Foreign Trade University

Major: Economics Relation   August 2017 - April 2021
